

# MiniTV USB

## Watch and Record TV on your PC

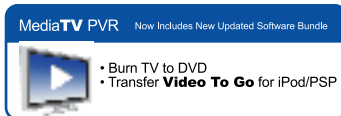

- > Watch TV on your Notebook or PC
- > Schedule TV recordings
- > Record TV shows to CD or DVD

### A Powerful yet simple tool for your multimedia collection

MediaTV is an all-in-one solution for your entire multimedia collection that's dynamic and simple at the same time: record your favorite TV shows and burn to DVD, create custom audio playlists, rip audio CDs and burn your own compilations, share custom slide shows on disc, complete with audio, edit and enhance images with simple controls.

### The Mini TV USB lets you take TV wherever you go!

Using a regular TV Antenna or cable connection, you can now watch TV right on your computer screen in a re-sizeable window. It's simple to install and no extra cables or power supply to carry around.

### ADS Tech MediaTV PVR

Free yourself from your TV set and network programming schedules.

Watch your favorite TV shows WHERE you want, WHEN you want!

Easily trim and cut commercials from captured TV programs.

### Take your shows on the road!

With MediaTV, you can record TV and take it with you to watch on portable media devices or burn them on CD or DVD- all in an easy to use application.
