

MiniTV USB

Watch TV on your Notebook or PC

- Schedule TV recordings
- Record TV shows to CD or DVD

The Mini TV USB lets you take TV wherever you go!

Using a regular TV Antenna or cable connection, you can now watch TV right on your computer screen. It's simple to install and no extra cables or power supply to carry around.

A Powerful yet simple tool for your multimedia collection

Mini TV USB includes MediaTV PVR, an all-in-one solution for your entire multimedia collection that's dynamic and simple at the same time: record your favorite TV shows and burn to DVD, create custom audio playlists, rip audio CDs and burn your own compilations, share custom slide shows on disc, complete with audio, edit and enhance images with simple controls.

Video, photos and music, turn your computer into a digital entertainment center with ADS Tech's MediaTV PVR

Watch and record TV and listen to your digital music, surf and archive your photos and more with ADS Tech's own Media TV PVR
